But if the power is to be exercised at the discretion of each District Board there is no likelihood of a uniform rate being fixed and levied in all the districts of the State.

The draft rules for regulating the traffic on the roads in the province was submitted by the District Board of Mysore and forwarded to the several Boards for opinion.

R Rule IV of the draft rules provided that a fee equivalent to 1/8 of the total amount for the year may be fixed as Composition fee. This was accepted by the District Boards of Tumkur, Chitaldrug and Kadur while that of Hassan proposed to raise the fee to 1/4th of the total amount payable for 1 year. The District Boards of Kolar & Bangalore had no opinion to give as there are no toll gates in these districts, while the District Board of Shimoga did not consider the details of the draft rules as they considered that exemption to Agriculturists should not be granted.
